29 December 2023

Dear Friends,

The Team Western Zone conveys warm greetings and best wishes on your superannuation from the LIC of India this 29th December 2023 after a long and glorious service. Your retirement is a certification of your successful and long service tenure and an acknowledgment of your contribution to the organization and the society.

It is a privilege for the NF Western Zone to Wish You on Your Special Day of Superannuation.

Your contribution for the growth and commitment to strengthen the organization will be etched forever in the annals of the NF. We are proud of your long association with the NFIFWI. We believe that you will continue your guidance and suggestions in future for the betterment of the NF. The retirement is a beginning of a new journey and a path to nirvana and peace.

We pray to the Almighty God for your wellbeing, good health and prosperity and may you fulfil all your desires and accomplish all your unrealized goals amidst your family and friends.

Best Wishes

Thank You

Yours Truly
